

FUSAICHI PEGASUS

In common with those very successful stallions Kingmambo and Chester House, Fusaichi Pegasus is by Mr Prospector out of a grand-daughter of Northern Dancer. Most of Kingmambo's Gr.1 winners are inbred in the first four generations to Northern Dancer, including Henrythenavigator, Thewayyouare, Archipenko, Divine Proportions, Virginia Waters, El Condor Pasa, Russian Rhythm, Alkaased, Light Shift, Rule of Law, Campanologist, King Kamehameha and Voodoo Dancer. Fusaichi Pegasus' first crop produced the Gr.1 winner Bandini from a **DIXIELAND BAND** mare and the Belmont Stakes runner-up Andromeda's Hero from a **STORM BIRD** mare. Distinctive Dixie, a Gr.2 winner in 2010, is another out of a **DIXIELAND BAND** mare. His smart Japanese colt Fusaichi Seven is out of a **VICE REGENT** mare.

Fusaichi Pegasus has a solid record with daughters of **STORM CAT**, with the likes of Pursuit of Glory, Arashi Cat, Cumin and Obsequious all being placed in Graded company. His Gr.1-placed daughter Hamsa is out of a **HENNESSY** mare. He also sired the 2011 Gr.2 winner Premier Pegasus from a mare by **SUMMER SQUALL**.

Fusaichi Pegasus has a stakes winner out of a mare by **NUREYEV**, who also sired the second dams of two of his Gr.3 winners, including Ravel. Fusaichi Pegasus sired the talented Ex Caelis from a Nijinsky mare and the sires of the first two dams of his black-type winners include **NIJINSKY**, **GENEROUS**, **SEATTLE DANCER**, **SHADEED**, **BALDSKI** and **STRAWBERRY ROAD**.

Fusaichi Pegasus has Gr.2 and Gr.3 winners in Australia out of mares by **DANEHILL**, which create 3x3 to **DANZIG**. This 3x3 inbreeding to **DANZIG** also appears in his Gr.2-placed son The Roundhouse, out of a mare by **BELONG TO ME**.

Fusaichi Pegasus made a bright start with mares by sons of **DEPUTY MINISTER**. He sired the Gr.1 winner Roman Ruler from a **SILVER DEPUTY** mare and more recently his Gr.1 winner Champ Pegasus is out of a daughter of **SALT LAKE**.

Two of Fusaichi Pegasus' early black-type winners were out of **SEATTLE SLEW** line mares and Bandini's second dam is by **SEATTLE SLEW**. Fusaichi Pegasus has sired the Gr.3 winner Ravel from a daughter of **A.P. INDY** and has two good performers out of a **CAPOTE** mare. More daughters of A.P. Indy are called for, especially as Chester House sired two stakes winners from them.

Inbreeding to **MR PROSPECTOR** is another option. Roman Ruler and the Graded-placed colts Budge Man, Flying Private, Web Gem and Powhatan County are all inbred 2x4 and it is interesting that two of Chester House's best winners, Phoenix Tower and Take The Ribbon, are respectively inbred 2x4 and 2x3. Web Gem's broodmare sire Storm Boot is by Storm Cat out of a Mr Prospector mare, which suggests that Fusaichi Pegasus could be suited by mares by the similarly-bred **TALE OF THE CAT**. Mares by **UNBRIDLED** can also be expected to suit. Inbreeding to Raise A Native is also an option, with **AFFIRMED** and **MAJESTIC LIGHT** mares creating 3x4 to him. **MAJESTIC LIGHT** mares produced Graded winners to several other sons of Mr Prospector, including Kingmambo.

Fusaichi Pegasus sired the Gr.2 performer Scandinavia from a mare by **ALLEGED**, who also ranks as the broodmare sire of one of Kingmambo's Gr.1 winners.

His French stakes winner Witten is out of a **RED RANSOM** mare, and **DYNAFORMER** is another Roberto stallion who appears as the broodmare sire of a stakes winner by Fusaichi Pegasus. Dynaformer also sired the second dam of his Gr.1-placed Riveting Reason. **ROBERTO** sired the second dam of Andromeda's Hero. His 2009 stakes winner Sumo has three lines of **HAIL TO REASON**.

Fusaichi Pegasus has two Graded stakes performers from only two foals out of **KNOWN FACT** mares, including the Gr.1-placed Riveting Reason.

His 2010 Gr.2 winner My Jen has a dam by **HOLY BULL**.
