

Galileo's first three crops have produced a succession of Gr.1 winners, including five classic winners, two champion 2-y-o's and a Breeders' Cup winner.

Although Galileo is a grandson of **NORTHERN DANCER**, much of his success has been with mares with Northern Dancer blood. The **DANZIG** branch merits considerable respect, as Galileo has sired the champion 2-y-o Teofilo, the Italian Derby winner Cima de Triomphe and the 2-y-o Gr.3 winner Cuis Ghaire from daughters of **DANEHILL**, plus a Gr.3 winner from a **DESERT KING** mare. Galileo's triple Gr.1 winner Lush Lashes is out of a mare by **ANABAA**. **DANZIG** himself sired the second dam of the Gr.3 winner Sub Rose.

Galileo has also done well with the **NIJINSKY** branch. **CAERLEON** is the broodmare sire of a Gr.1 winner, and **GREEN DANCER** and his son **GREEN TUNE** respectively sired the second dam of the Gr.3 winner Mahler and the dam of the Gr.3-winning Leo's Starlet.

The Gr.2 winner Incanto Dream is out of a **NUREYEV** mare, while the exciting juvenile Rip Van Winkle is out of a mare by **STRAVINSKY**. Sadler's Wells' brother **FAIRY KING** sired the second dam of the multiple Gr.1 winner Red Rocks.

Mares by **STORM CAT** and his sons come into the picture as Galileo has sired the Gr.3 winner Galatee from a **MOUNTAIN CAT** mare and **BLUEBIRD** sired the second dam of the classic-winning Nighttime.

The St. Leger winner Sixties Icon and the Australian Gr.2 winner Gallant Tess are from **DIESIS** mares and two Listed winners are from KRIS mares.

Galileo is an attractive medium for inbreeding to the great **MR. PROSPECTOR**. He sired Red Rocks from a daughter of **MACHIAVELLIAN** and Gr.3 winner Leo's Starlet is inbred 3 x 3 to **MISWAKI**.

Galileo has a Gr.2-winning son out of an **ALYSHEBA** mare and **MAJESTIC LIGHT**, another Raise A Native line stallion, sired the second dam of Teofilo.

Mares by **DARSHAAN** have obvious appeal as mates for Galileo. The smart Adored and New Zealand are out of daughters of **DARSHAAN** and the very promising 2008 2-y-o Kite Wood is out of a daughter of **MARK OF ESTEEM**. Never Bend's grandson **IRISH RIVER** sired the second dam of the Gr.3 winner Galatee.

Galileo has sired the very useful Galient and Radhakunda from **WARNING** mares and the St. Leger second The Last Drop from a mare by Warning's son **CHARWOOD FOREST**.

Sadler's Wells has an outstanding record with the Turn-To line. **LORD GAYLE** sired the second dam of Galileo's Irish Derby winner Soldier of Fortune. Roberto's son **KRIS S.** is the broodmare sire of the impressive Group winner Sub Rose.

RAINBOW QUEST is the broodmare sire of St. Leger runner-up Mahler. Galileo also has a Listed winner out of a **NASHWAN** mare and Lush Lashes's second dam is by **ARAZI**.

CARO's son **CRYSTAL PALACE** sired the second dams of two of Galileo's Gr.1 winners. Nighttime is out of a daughter of **INDIAN RIDGE** and the Derby winner New Approach is from a daughter of **AHONOORA**. The highly-regarded Rip Van Winkle has a second dam by **DON'T FORGET ME**.
