

SCAT DADDY

Scat Daddy represents a blend of America's most successful bloodlines. He follows Johannesburg, Hennessy, Storm Cat and Storm Bird as the fifth consecutive generation of his male line to have won at Gr.1 level at two.

Scat Daddy is inbred 4x2 to Mr. Prospector, who achieved multiple championships as a sire, 2yo sire and broodmare sire, and 5x4 to the similarly exceptional Northern Dancer.

Although he is inbred to Mr Prospector, Scat Daddy is likely to suit mares by Mr Prospector's grandsons. His early Graded stakes performers include Force de la Nature, inbred 5x3x3 to Mr Prospector, and Daddy Nose Best, inbred 5x3x4. The many options include mares by such as **THUNDER GULCH, QUIET AMERICAN, UNBRIDLED, DISTORTED HUMOR, END SWEEP, ELUSIVE QUALITY, GRAND SLAM, MR GREELEY, STREET CRY** and **SMOKE GLACKEN**. They effectively create 3x4 to Mr Prospector. Adding more Mr Prospector blood appeals in view of the considerable success that Johannesburg, Hennessy and Storm Cat have all enjoyed with mares from this line. Mares from the **ALYDAR** branch of the **RAISE A NATIVE** line are also serious contenders. Scat Daddy's Gr.2 winner Daddy Long Legs is inbred 4x4 to Raise A Native.

More Northern Dancer blood is also likely to suit Scat Daddy and creates few worries, as Scat Daddy's two lines will be well back in the pedigrees of his foals. Scat Daddy has been quick to make his mark with the **DANZIG** line, siring the Gr.3 winner Shared Property from a mare by Danzig's son **BELONG TO ME**. Daughters of **PINE BLUFF, LANGFUHR, WAR FRONT, WAR CHANT** and **CHIEF'S CROWN** merit consideration.

Other Northern Dancer line options include daughters of **DIXIELAND BAND, EL GRAND SENOR, LYPHARD, NUREYEV, SADLER'S WELLS** and **VICE REGENT**. Mares by Sadler's Wells' sons **EL PRADO** and **BARATHEA** have produced Gr.1 winners to other stallions inbred to Mr Prospector. **MEDAGLIA D'ORO** and **KITTEN'S JOY** mares are likeable options.

As **STORM CAT** headed the general sires' list on two occasions and was champion sire of juveniles six times, breeders may also consider inbreeding to the great Overbrook stallion through Scat Daddy. Mares by Storm Cat's sons, such as **FOREST WILDCAT, FORESTRY, GIANT'S CAUSEWAY** and **STORMY ATLANTIC**, produce 4x3 inbreeding to Storm Cat. There are already several stakes winners inbred 3x3 to Storm Cat, including a daughter of Johannesburg.

Scat Daddy's pedigree is free of **HAIL TO REASON**. One of his first Graded winners, Finale, is out of a grand-daughter of **HALO**, so he is likely to suit mares by the brothers **SAINT BALLADO** and **DEVIL'S BAG**. Devil's Bag sired the dam of one of Johannesburg's Graded winners and the second dam of another. Mares by Roberto's sons, such as **DYNAFORMER, KRIS S., RED RANSOM** and **SILVER HAWK**, also merit consideration. El Corredor, another stallion inbred to Mr Prospector, has a Gr.1 winner out of a mare by a son of Kris S.

Breeders can also be confident that Scat Daddy will be a good match for the **SEATTLE SLEW** line, including daughters of **A.P. INDY** and **CAPOTE**. Mares by A.P. Indy's son **PULPIT** would also be interesting, as they produce a pedigree containing the very successful sisters Yarn and Preach.

MEADOWLAKE is the broodmare sire of the Gr.2 winner Daddy Long Legs.
